

## TANZEEM E ISLAMI

PRESS RELEASE: May 11<sup>th</sup>, 2026

**One year ago, Pakistan defeated India and its backers in Operation  
“Bunyan-un-Marsoos.”**

**An ideological “Bunyan-un-Marsoos” is indispensable for foiling  
the conspiracies of the satanic alliance of three.**

**(Shujauddin Shaikh)**

**Lahore (PR):** This was stated by the Ameer of Tanzeem-e-Islami, **Shujauddin Shaikh**, in a statement. He said that one year ago, on the morning of May 10th after Fajr prayer, the Armed Forces of Pakistan, with the special help and support of Allah (SWT), launched Operation “Bunyan-un-Marsoos” against India and gave a forceful response to Indian aggression. India’s purpose in imposing this war on Pakistan was to harm Pakistan — the biggest obstacle in the path of Greater Israel — and to break its nuclear teeth, for which Israel had also provided drones to India. However, by the special grace of Allah (SWT), Pakistan created panic across the length and breadth of India through missiles, fighter jets, and drones. It destroyed the bases of India’s fighter jets and BrahMos missiles, inflicted severe damage on dozens of important Indian military installations, and defeated the enemy. However, in our view, the danger has not passed even after the lapse of one year. India is preparing to launch a new operation against Pakistan under the name Operation Sindoor 2, in which it has the full support of its natural “satanic ally”, Israel.

The Ameer of Tanzeem said that the attack by Israel and America on Iran is also part of the conspiracy to target Pakistan. Therefore, the nation must forget internal disputes and grievances and become united. On the other hand, the manner in which celebrations were held across the country on the completion of one year since the success of Operation “Bunyan-un-Marsoos,” by the special help of Allah (SWT), was not befitting a Muslim country. Moreover, the removal of the subsidy given to consumers using less than 200 units of electricity on the condition of the IMF, the alarming increase in petroleum prices, and sky-high inflation — in such a situation, wasting millions of rupees from the national exchequer in the name of celebrations is highly condemnable. He said that the ongoing Israeli oppression and brutality against the Muslims of Gaza and Israel’s sinister objectives regarding Masjid al-Aqsa must never be forgotten. Clear reports are found in the blessed Ahadith that armies will go forth from Khorasan — which includes Afghanistan, the northern areas of Pakistan, part of Iran, and some regions of Central Asian countries — to support Hazrat Mahdi (RA), and from Khorasan itself the armies bearing black flags will advance towards Aelia, that is Jerusalem, and there, under the leadership of Hazrat Isa (AS), they will end the Dajjali rule of the Jews and establish and enforce the Islamic system of collective justice over the entire world. One year ago, in Operation “Bunyan-un-Marsoos,” Pakistan achieved its military objectives. Now all stakeholders of Pakistan must strive with full commitment for the implementation of the Islamic system in the country, so that at both the ideological and geographical levels, Pakistan may truly become a “Bunyan-un-Marsoos.” Ameen!
